The Villas at Kehalani AOOU – 14 Day Notice - 2020 Annual Owners Meeting

Aloha Owners,

Friendly reminder that the Annual Owners meeting is March 18th, 2020.

Please send in your proxy even if you plan to attend. This is simply a precautionary measure should anything come up the day of and you are unable to make it.

It is very important to establish a quorum well in advance of the meeting in order to elect directors and conduct business accordingly. If you assign your proxy to someone else and you attend the meeting, the proxy will be returned to you.

I look forward to seeing you there!

Kind Regards,
