To: The Villas at Kehalani Owners

RE: Mail Security

We have been asked to notify and remind owners regarding the protocols for the mail hale. Please be courteous and practice social distancing during this time. When the postal worker is in the hale sorting the mail, DO NOT ENTER THE HALE. During this time, we also ask that if another owner is in the hale that you do not enter the hale until they have left; please only one owner at a time allowed in the hale as it is confined quarters.

We appreciate your cooperation and assistance during this time. Thank you.
